

# MASTER DIVERS

Master Divers are excited to announce that due to expansion SSI Instructors and Dive control specialists are wanted for work in the Gulf of Thailand.

Position will involve supervision of Snorkeling programs and conducting resort divers as a priority, there will also be opportunity to conduct other SSI programs for our busy dive school on a rotation basis.

Candidates are expected to meet the following requirements:

- Be willing to travel and work from Chumporn , Samui and Koh Tao.
- Multi lingual preferred.
- Must have sales experience.
- Be active and renewed.
- Have their own dive equipment.

\*Candidates without work permit will be given assistance to obtain one subject to contract

For the right candidates this is a great opportunity to work with a professional school and earn a decent income.

Serious candidates please email.
